

 Have you customized your registration and ticket landing pages? If so, you are ready to offer admission tickets (even if they're free) as a way to encourage pre-registration.

 [Click me to view the Customize Ticket and Registration Landing Pages video.](#)

1 Follow these steps to create a basic admission ticket...

Tickets & Registration > Create & Edit Tickets

1. From the **Admission and other ticket types** pane, click the **Create new ticket** button (or select an existing ticket to edit or clone).
2. Follow the prompts to enter the appropriate information and options on the **Create a new ticket** page.
3. Click **Preview ticket purchase page** to view your work. Click the **Refresh page** button if you don't immediately see your changes.
4. Click **Create ticket** or **Update/Clone ticket**.

Pro Tip!

With your **Mobile Pro™** or **Bidsheet Pro™** package you can offer admission tickets that include options such as:

- Promo codes
- Table assignments
- Meal choices
- Promotional items or limited SWAG offerings
- Sponsorships

TIPS & TRICKS

- Ticket description can include images/videos
- Enable ticket purchase = activates the ticket for sale
- Allow public purchase = displays the ticket on guest facing ticket pages
- Sales are limited = limits how many can be sold in total, NOT by person
- Ask for names = allows buyers to name their additional guests at purchase time

Enhance your admission tickets with more options!

2 Add promo code...

1. Enter code name in the **Promo code** box.
2. Click **Update ticket**.
3. Click **Preview ticket purchase page**.
 - You must apply the promo code in order to preview the ticket
4. Share promo codes via email and social media to promote pre-registration!

3 Add choices...

Create a list of included choices to be offered with your admission ticket.
